**Attachments:** Steve Responses to RTCs for Area 40 RIS.docx

Hi Chris,

In order to maintain consistency in evaluating the RTCs I asked Steve Ross to review and provide any additional feedback on the Area 40 RIS since these were his comments. Attached is Steve's write up of the comments and his responses to the AR RTCs. Incorporate as necessary into the Final RIS.

I also owe you feedback on the revised RIS contaminant maps for GW. Stay tuned. Thanks

Hi Everyone – Attached are Aerojet Rocketdyne, Inc.'s responses to your comments on the Area 40 Remedial Investigation Supplement submitted in April 2015. Please review and comment. As soon as we resolve the responses, we will finalize the Area 40 RI and submit.

Thanks, Chris
